Celebrating 100 Years of Brotherhood, Service, and Leadership in our Community
The Theta Psi Chapter Omega Psi Phi Fraternity, Inc Centennial 1926 - 2026

The **Theta Psi Chapter** of Omega Psi Phi Fraternity, Inc.

The **Theta Psi Chapter** of Omega Psi Phi Fraternity, Inc. was established at West Virginia Collegiate Institute now West Virginia State University on May 26, 1926, marking the beginning of a proud and enduring legacy. Prior to its official charter as Theta Psi, the chapter's foundation traces back to 1920, when it originally operated as the **Kappa Chapter**, reflecting an early and significant Omega presence on campus.

Theta Psi was formally brought into fruition by seven visionary men—L.K. McKenzie, Julius Love, John Love, Homer Taylor, David Lane, Frederick Parker, and Thomas Hughes—who dedicated themselves to establishing a chapter grounded in the cardinal principles of manhood, scholarship, perseverance, and uplift.

The first initiates into Theta Psi were Marcel Hodges and Adolph Hamblin, beginning a tradition of excellence that has endured for a century. The chapter's earliest meetings were held in Room 219 of Gore Hall before relocating to "D" Section in Prillerman Hall. As the brotherhood grew, Theta Psi established its first fraternity house on Lincoln Avenue, just east of campus, solidifying its physical presence and long-term commitment to the institution and community.

From its origins as Kappa in 1920 to its chartering as Theta Psi in 1926, the chapter stands as a testament to vision, resilience, and enduring Omega spirit.
